

Liam Abalos	Yesterday	Today	Prevention
10/13/2022	HLD standards, tools used	Research network design	n/a
10/14/2022	Research network design	Continue research	n/a
10/15/2022	Research network design	Write network design	n/a
10/16/2022	Wrote network design	No work	n/a
10/17/2022	No work	No work	n/a
10/18/2022	No work	Write network design	n/a
10/19/2022	Wrote network design	Continue writing network design	Need clarification from prof
10/20/2022	Wrote network design	Continue writing network design	n/a
10/21/2022			
10/22/2022	Wrote network design	Continue writing network design	n/a
10/23/2022	Wrote network design	No work	n/a
10/24/2022	No work	No work	n/a
10/25/2022			
10/26/2022	No work	No work	n/a
10/27/2022	No work	Continue writing network design	n/a
10/28/2022	Wrote network design	Continue writing network design	Need clarification from prof
10/29/2022	Wrote network design	No work	n/a
10/30/2022	No work	No work	n/a
10/31/2022	No work	Research and write logging test case	Inexperience
11/1/2022	Research and write logging test case	Research and write logging test case	n/a
11/2/2022	Research and write logging test case	Research and write logging test case	n/a
11/3/2022			
11/4/2022	Research and write logging test case	Research and write logging test case	Inexperience
11/5/2022	Research and write logging test case	Research and write logging test case	n/a
11/6/2022	Research and write logging test case	Research and write logging test case	n/a
11/7/2022	Research and write logging test case	Research and write registration test case	n/a
11/8/2022	Research and write registration test case	Research and write registration test case	n/a
11/9/2022	Research and write registration test case	No work	n/a

Mark Fastner	Yesterday	Today	Prevention
10/13/2022	Write HLD security	Research mermaid js for LLD	n/a
10/14/2022	Research sequence diagrams	Sequence diagram for registration	Unsure of how sequence diagram will look
10/15/2022	No work	Sequence diagram for registration	n/a
10/16/2022	Sequence diagram for registration	Sequence diagram for registration	n/a
10/17/2022	Created sequence diagram failure case for registration	No work	n/a
10/18/2022	No work	Identify questions for milestone 2	Clarification on milestone 2
10/19/2022	Identified questions for milestone 2	Learn C#	Inexperience
10/20/2022	Learned C#	Continue learning C#	n/a
10/21/2022			
10/22/2022	Learned C#	Setup database SQL	Inexperience
10/23/2022	Setup database	Setup database	n/a
10/24/2022	Setup database	Database logging storage	n/a
10/25/2022			
10/26/2022	Database logging storage	Database logging storage	n/a
10/27/2022	Database logging storage	Sequence diagram for registration/logging	n/a
10/28/2022	Sequence diagram for registration/logging	Sequence diagram for registration/logging	n/a
10/29/2022	Sequence diagram for registration/logging	No work	n/a
10/30/2022	No work	Research and write logging test case	Inexperience
10/31/2022	Research and write logging test case	Research and write logging test case	n/a
11/1/2022	Research and write logging test case	Research and write registration test case	n/a
11/2/2022	Research and write registration test case	Research and write registration test case	n/a
11/3/2022			
11/4/2022	Research and write registration test case	Research and write registration test case	n/a
11/5/2022	Research and write registration test case	No work	n/a
11/6/2022	No work	Research and write registration test case	n/a
11/7/2022	Research and write registration test case	Research and write registration test case	n/a
11/8/2022	Research and write registration test case	Research and write registration test case	n/a
11/9/2022	Research and write registration test case	No work	n/a

Anh Huynh	Yesterday	Today	Prevention
10/13/2022	Revised HLD diagram, frontend architecture	Revise HLD microservices	Need clarification from Prof
10/14/2022	Revised HLD microservices	No work	n/a
10/15/2022	No work	Draft network design diagram	Need clarification from Prof
10/16/2022	Drafted network design diagram	Revise network design diagram	n/a
10/17/2022	Revised network design diagram	Project setup: following tutorial, creating files	n/a
10/18/2022	Project setup: following tutorial, creating files	Project setup: following tutorial, creating files, and dividing projects up to spec	n/a
10/19/2022	Project setup: following tutorial, creating files, and dividing projects up to spec	created user-authentication controller and response contract	n/a
10/20/2022	created user-authentication controller and response contract	user-authentication input validation	n/a
10/21/2022			
10/22/2022	user-authentication input validation	No work	n/a
10/23/2022	No work	user-authentication command handler	n/a
10/24/2022	user-authentication command handler	user-authentication command handler	n/a
10/25/2022			
10/26/2022	user-authentication command handler	linking registration command handler with the controller	n/a
10/27/2022	linking registration command handler with the controller	adding a password hasher service	n/a
10/28/2022	adding a password hasher service	incorporated EF Core to dataAccess	n/a
10/29/2022	incorporated EF Core to dataAccess	added userRepository and simple query methods via EF Core's dbContext	n/a
10/30/2022	added userRepository and simple query methods via EF Core's dbContext	added userRepository and simple query methods via EF Core's dbContext	n/a
10/31/2022	added userRepository and simple query methods via EF Core's dbContext	No work	n/a
11/1/2022	No work	testing and debug, sharing work, research	n/a
11/2/2022	testing and debug, sharing work, research	research into Xunit tests	n/a
11/3/2022			
11/4/2022	research into Xunit tests	No work	n/a
11/5/2022	No work	Research and write logging test case	n/a
11/6/2022	Research and write logging test case	Research and write logging test case	n/a
11/7/2022	Research and write logging test case	Research and write registration test case	n/a
11/8/2022	Research and write registration test case	Research and write registration test case	n/a
11/9/2022	Research and write registration test case	No work	n/a

Aster Lee	Yesterday	Today	Prevention
10/13/2022	HLD standards, tools used	Research network design	n/a
10/14/2022	Research network design	Continue research	n/a
10/15/2022	Research network design	Write network design	n/a
10/16/2022	Write network design	Write network design	n/a
10/17/2022	No work	No work	n/a
10/18/2022	No work	No work	n/a
10/19/2022	No work	Continue research	Need clarification from prof
10/20/2022	Wrote network design	Continue research	n/a
10/21/2022			
10/22/2022	Continue writing network design	No work	n/a
10/23/2022	No work	No work	n/a
10/24/2022	No work	Continue research	n/a
10/25/2022			
10/26/2022	Research network design	Continue research	n/a
10/27/2022	Wrote network design	Continue research	n/a
10/28/2022	Wrote network design	Write network design	Need clarification from prof
10/29/2022	Wrote network design	No work	n/a
10/30/2022	No work	No work	n/a
10/31/2022	No work	Research and write registration test case	Inexperience
11/1/2022	Research and write registration test case	Research and write registration test case	n/a
11/2/2022	Research and write registration test case	Research and write registration test case	n/a
11/3/2022			
11/4/2022	Research and write registration test case	Research and write logging test case	Inexperience
11/5/2022	Research and write logging test case	No work	n/a
11/6/2022	No work	Research and write logging test case	n/a
11/7/2022	Research and write logging test case	Research and write logging test case	n/a
11/8/2022	Research and write logging test case	Research and write logging test case	n/a
11/9/2022	Research and write logging test case	No work	n/a
